Breckinridge Rule, aged 50, a deaf-mute contractor, while walking on the L. and N. track near Cynthiana, was struck by a passenger train and instantly killed.

Ashael Woodward, a highly respected citizen of Robertson county, is dead, aged 80. He leaves two children, Esq. Elin Woodward and Dr. Frank Woodward.

The Chesapeake and Ohio Railway has just been allowed \$70.48 by the United States Government for transportation of the army and its supplies.

Class No. 5 of the Christian Church gave a social last evening. The music was furnished by the Outten orchestra, the new games brought out and refreshments served all went to make the evening most enjoyable to the hundred present.

KENOVA SUICIDE

Body of Lyman Elliott Smith Brought Here For Burial

THE LEDGER yesterday published a telegram received by Chief of Police Donovan notifying him of the suicide at Kenova, W. Va., of Lyman Elliott Smith of this county.

Inquiry brought out the fact that a brother of the dead man, Mr. W. A. Smith, resided near Needmore.

When apprised of the death of his brother he immediately came to this city and left for Kenova last evening to bring the remains here for burial, expecting to arrive this morning over the C. and O.

Relatives are unable to account for the rash act of Mr. Smith.

He was a young man, aged about 27, and had been very highly educated.

He left Mason county a year or so since, going to Michigan, where he was employed at teaching at a salary of \$1,100 a year.

He later wrote that he was going to Pennsylvania to accept a better position, and it was not known by his relatives that he was in Virginia.

Miss Marie Bayless, daughter of Hon. F. D. Bayless of West Union and a former Maysville schoolgirl, was elected one of the official stenographers for the present session of the Ohio Legislature.

ACCOMPLISHED MUSICIAN

Prof. M. B. Mawhorter In a Class All By Himself

"Expert" hardly fills the bill when applied to the musical accomplishments of Professor Mawhorter, who has been delighting crowds at John I. Winter & Co.'s White Palace during each evening of the past week.

Some of the exhibitions of his skill are marvellous. For instance, he plays duets, using the organ for one hand and the piano for the other; and more wonderful still, he plays the organ and piano simultaneously, with a sheet completely covering the key-board and stops of each instrument.

Many of his pieces are descriptive and of his own composition, and he never fails to draw from the instruments their richest volume of sound.

Those of THE LEDGER readers who have not heard him should not miss the opportunity of attending the remaining free concerts of this evening and tomorrow evening.

The Licking river is gorged with ice for twenty miles from its mouth.

The towboat Cruiser is raising coal at Paducah, sunk by the Boaz and Harry Brown.

The gospel boat Megiddo has been sold for packet service between Paducah and Cairo.

The Ohio is falling almost its entire length and the cold weather will strengthen the ice gorges.

The Joseph Henry, formerly a Government boat, will be used in the St. Louis excursion trade this coming summer.

The Government Board of Engineers of which Major Leydecker is the Chairman has reported against the improvement of the Ohio river between Cairo and Mound City, Ill.

At Cincinnati, rivermen have resorted to barricading the boats in the harbor with logs which they believe will lessen the damage when the break in the big gorge above the city does come.

Captain Samuel M. Johnston, aged 70, died Wednesday at the home of his son, Captain Peter Johnston. He was one of the oldest and best known river pilots along the Ohio. His home was in Cannelton, Ind.

Alternate thawing and freezing with rain, followed by cold weather along the ice-bound Ohio, is causing gloom among rivermen, who admit a general break-up and resumption of business may not come before late in February.

BOARD OF TRADE

Addresses Itself to the Wide-Awake Merchants of Maysville

MAYSVILLE, KY., January 8, 1904.
To the Merchants of Maysville—Dear Sirs: On Saturday, February 20th, 1904, we have our Fifth Annual Tobacco Fair. The four which we have held in the past have proven to be very successful. They have attracted to our city the best element of all the surrounding country and a large representation from some of the principal cities of this state and Ohio. It has not only been a day of social pleasure, but a day which has brought customers to our city who have thronged our stores and gone away laden with goods from our counters. You all say, by no means let the season pass without a Tobacco Fair.

The question arises at this point, how much of a success would the Tobacco Fair be if no one displayed any more energy or interest in its promotion than you are now doing? How many farmers have you spoken to with reference to it? How many posters have you sent out? And yet you expect it to be a success.

The Tobacco Fair is "Our Fair." This appeal is to you to go to work and do your part toward making the Fifth Annual Tobacco Fair the greatest event in the history of Maysville. Plan some novel feature by which to advertise your business. Arrange to give some souvenir of the occasion which may be carried away by the visitors as a pleasant reminder of the event. Send premium lists out in all your letters. Yours, for success, JOHN DULEY, President Board of Trade.

Dislocated Her Shoulder.
Mrs. Johanna Soderholm, of Fergus Falls, Minn., fell and dislocated her shoulder. She had a surgeon get it back in place as soon as possible, but it was quite sore and pained her very much. Her son mentioned that he had seen Chamberlain's Pain Balm advertised for sprains and soreness, and she asked him to buy her a bottle of it, which he did. It quickly relieved her and enabled her to sleep which she had not done for several days. The son was so much pleased with the relief it gave his mother that he has since recommended it to many others. For sale by J. Jas. Wood & Son.

AFTER SICKNESS.

HOW TO REGAIN STRENGTH.

Our Druggist, Mr. J. C. Pecor, Gives Some Suggestions—We Vouch for His Sincerity.

During the past few months there has been a great deal of sickness of one kind and another in Maysville, largely induced by the recent unseasonable weather.

In speaking of this to Mr. Pecor, our leading druggist, the other day, he said: "Yes, there has been, and is, a lot of sickness in the city and while most people get over the acute stage rather quickly, it leaves the blood impoverished, and it is hard to regain lost vitality. The patient's strength is depleted, the system generally demoralized and relapses are continually feared."

"The one thing to aid recovery is to give the patient a blood building and strength restoring tonic, one that will give strength to every organ in the body."

"Now, truthfully," continued Mr. Pecor, "I don't believe there is another remedy in the country equal to our delicious cod liver oil preparation, Vinol, for making rich, red blood, and building up strength. I say this from an intimate knowledge of almost every medicine on the market, and after fully considering what Vinol is, and has done."

"Vinol contains every one of the body-building, medicinal elements of cod liver oil, without one drop of oil to retard its work, and this with organic iron, which is a useful constituent for the blood, dissolved in a delicious table wine, makes Vinol. It acts directly on the stomach, creates a healthy appetite, and enables the digestive organs to obtain the necessary elements to make rich, red blood, healthy flesh and muscle tissue, and create strength, and you know what you are taking."

Said Mr. Pecor: "Such letters as this prove the value of Vinol after sickness."

Mr. Edgar A. Howe of Concord, N. H., writes that after being confined to his bed for thirteen weeks with the grippe he was weak and emaciated, all tonics seemed of no avail, but Vinol restored, in a marvelous manner, his strength, flesh and appetite.

Mrs. C. H. Wardwell of Lynn, Mass., writes that the measles left her little daughter with a cough and in a very bad condition, but Vinol cured the cough and made her well.

Mr. John Emerson of Bangor, Me., writes that after grippé, at seventy years of age, Vinol built up his strength and gave him new life.

Mr. James Stuart of Pittsburgh, Pa., writes that after a severe fever he was weak and emaciated, but Vinol built him up, made him strong and well.

"I might go on quoting from hundreds of such letters," continued Mr. Pecor. "You see no one need take my word for what Vinol will do, and it is because of such proof that I solemnly agree that if it does no good where it is recommended that it shall not cost a penny. That's fair, isn't it?" J. C. Pecor, Druggist.

Mr. Walter Sherwood, aged 25 and second marriage, and Miss Bessie Beckett, aged 21, both of Mason county, were married at the home of the bride in Washington yesterday.

GERMAN SYRUP.

We want to impress our readers that Bosche's German Syrup is positively the only preparation on the market today that does relieve and cure consumption. Therefore let you know that I shall recommend them to any one suffering from such troubles." Chas. H. Halpin, 109 Livingston St., New York, N.Y.

"Alphonse and Gaston" is a good farce full of wholesome fun, which has more of a plot than most plays of this kind. Cured After Suffering 10 Years.

H. E. Harn, Supt. Miami Cycle & Mfg. Co., Middletown, O., suffered for ten years with dyspepsia. He spent hundreds of dollars for medicine and with doctors without receiving any permanent benefit. He says "One night while feeling exceptionally bad I was about to throw down the evening paper when I saw an item in the paper regarding the merits of Kodol Dyspepsia Cure. I concluded to try it and while I had no faith in it I felt better after the second dose. After using two bottles I am stronger and better than I have been in years, and I recommend Kodol Dyspepsia Cure to my friends and acquaintances suffering from stomach trouble." Sold by J. Jas. Wood & Son, Druggists.

Mrs. Hughson, of Chicago, whose letter follows, is another woman in high position who owes her health to the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I suffered for several years with general weakness and bearing-down pains, caused by womb trouble. My appetite was fitful, and I would lie awake for hours, and could not sleep, until I seemed more weary in the morning than when I retired. After reading one of your advertisements I decided to try the merits of Lydia E. Pinkham's Vegetable Compound, and I am so glad I did. No one can describe the good it did me. I took three bottles faithfully, and besides building up my general health, it drove all disease and poison out of my body, and made me feel as spry and active as a young girl. Mrs. Pinkham's medicines are certainly all they are claimed to be."—Mrs. M. E. HUGANSON, 847 East Ohio St., Chicago, Ill.

Mrs. Pinkham Tells How Ordinary Tasks Produce Displacements.

Apparently trifling incidents in woman's daily life frequently produce displacements of the womb. A slip on the stairs, lifting during menstruation, standing at a counter, running a sewing machine, or attending to the most ordinary tasks may result in displacement, and a train of serious evils is started.

The first indication of such trouble should be the signal for quick action. Don't let the condition become chronic through neglect or a mistaken idea that you can overcome it by exercise or leaving it alone.

More than a million women have regained health by the use of Lydia E. Pinkham's Vegetable Compound.

If the slightest trouble appears which you do not understand write to Mrs. Pinkham, at Lynn, Mass., for her advice, and a few timely words from her will show you the right thing to do. This advice costs you nothing, but it may mean life or happiness or both.

Mrs. Lelah Stowell, 177 Wellington St., Kingston, Ont., writes:

"DEAR MRS. PINKHAM:—You are indeed a godsend to women, and if they all knew what you could do for them, there would be no need of their dragging out miserable lives in agony."

"I suffered for years with bearing-down pains, womb trouble, nervousness, and excruciating headache, but a few bottles of Lydia E. Pinkham's Vegetable Compound made life look new and promising to me. I am light and happy, and I do not know what sickness is, and I now enjoy the best of health."

Lydia E. Pinkham's Vegetable Compound can always be relied upon to restore health to women who thus suffer. It is a sovereign cure for the worst forms of female complaints,—that bearing-down feeling, weak back, falling and displacement of the womb, inflammation of the ovaries, and all troubles of the uterus or womb. It dissolves and expels tumors from the uterus in the early stage of development, and checks any tendency to cancerous humors. It subdues excitability, nervous prostration, and tones up the entire female system. Its record of cures is the greatest in the world, and should be relied upon with confidence.

\$5000 FORFEIT If we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness. Lydia E. Pinkham Medicine Co., Lynn, Mass.

The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood. It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of Swamp-Root by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Why Not Begin the New Year BY BUYING SHOES AT Dan Cohen's Great Western Shoe Store?

When you feel your feet so comfortably clad, and realize how heavy your purse still is, you will feel new "swap" and "go," heart lighter, head clearer and in your heart only pity for the "other fellow," who is still shambling around in his old shoes, with his head down and his courage at an ebb—proportionately low. Do your best to make it so, and let us help you, and the New Year Will Be Happy.

Yours for 1904,

W. H. MEANS, MANAGER DAN COHEN'S GREAT WESTERN SHOE STORE!
